Non partisan Youth
Wrestling Association

Welcome to CVYWA

CVYWA stands for Central Valley Youth Wrestling Association. CVYWA is an association dedicated in promoting the sport of wrestling to its Elementary-Jr. High aged kids in the Central Valley and California. We are a non partisan association which means we support all things CVYWA along with attending Ca-USA and SCWAY Wrestling Association events where it benefits our clubs. Our goal is to provide an environment to help enrich children in the sport of wrestling. We can be successful at this with the help of our clubs, parents, and the many volunteers that assist us in becoming more competitive in the local, State, and National level.

HOW TO BECOME A CVYWA CLUB:

All clubs need to join by last meeting of season [January 30th, 2026](#)

[All Teams North of HWY 184 will be considered North Valley](#)

MISSION STATEMENT:

“To provide structure and organization to the sport of Junior High and Elementary and off-season High School wrestling in the Central Valley of California.”
